### What is Lumin®?

Lumin® is the easiest and fastest way to sanitize CPAP masks and accessories. Lumin® works with a sanitization cycle time of only 5 minutes. The Lumin® is a device intended for home use to clean and sanitize CPAP accessories or PAP devices, including your mask and water chamber. The Lumin® may also be useful as a multi-purpose sanitizing device for personal care products (eg. toothbrushes, nebulizers, toys, cell phones, oral appliances, etc).

- Safe and easy to use
- No harmful ozone
- Uses UVC light
- Affordable
- Quick 5 minute mask sanitization

# Lumin®

Clean and sanitize your CPAP equipment in just **5 minutes!**

### Easy as 1-2-3

Your healthy choice in CPAP accessory sanitization with simple one-touch operation.

### LUMIN® ALSO SANITIZES PERSONAL ITEMS!

# Transcend 365 miniCPAP™

Smarter at home and on the go.

## Full-Sized Features in a Travel-Size CPAP

Transcend 365 miniCPAP™ takes portable CPAP to a new dimension by introducing an incredibly small, truly portable, and unique heated humidifier. Now you can enjoy all the features and benefits of the CPAP you've come to rely on at home in a package that's half the size and is perfect for traveling.

### Business Travel

Compact and lightweight, Transcend® sleep therapy devices are FAA approved for all major airlines and fit in carry-on bags

### Outdoor

Go anywhere under the stars and off the grid with Transcend's portable power options.

### Leisure Travel

Small & lightweight with an array of power options that allow you to travel without limits.

### Perfectly Stacked

Thoughtful design allows you to neatly stack the battery under the CPAP and humidifier for a minimal profile on the nightstand.

# Lumin®

Lumin® is the easiest and fastest way to clean and sanitize CPAP masks and accessories. Lumin® works with a sanitization cycle time of only 5 minutes. The Lumin® is a device intended for home use to clean and sanitize CPAP accessories, including your mask and water chamber. The Lumin® may also be useful as a multi-purpose sanitizing device for personal care products (eg. toothbrushes, toys, cell phones, oral appliances, etc).

Lumin®  
CPAP Cleaning &  
Sanitizing Device  
**3B-LM3000/E**

**Your healthy choice in CPAP accessory sanitization with simple one-touch operation.**

## OZONE FREE

Ozone has been shown by the EPA to irritate the lungs and respiratory system, making it extra harmful for people with respiratory illness.

## MULTI-PURPOSE

Lumin® is also a great option for personal care items (eg. nebulizers, hearing aids, toys, cell phones, oral appliances).

## SAFE

Lumin® relies on UVC to sanitize. Unlike other methods, Lumin® does not use a toxic and harmful gas and is the safest sanitization method available.

## FAST & EASY

Lumin® requires only a single button to start. With a 5 minute cycle, it is the fastest and easiest method to sanitize CPAP accessories on the market.

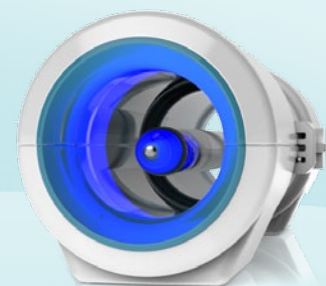

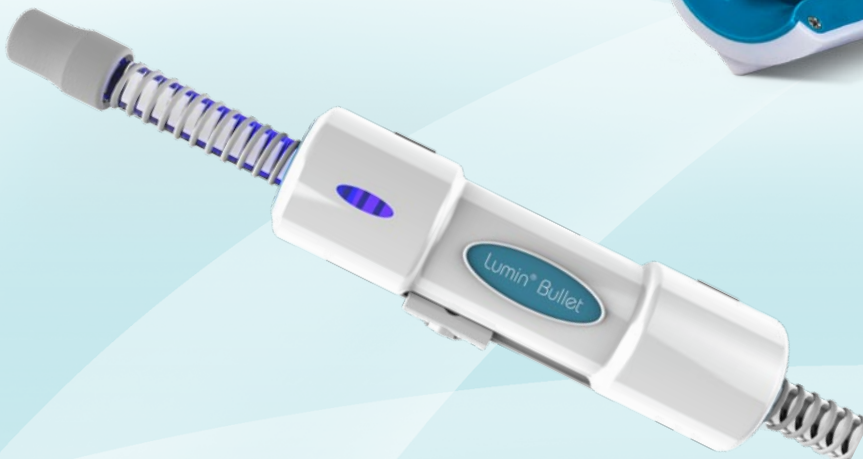

# Lumin® Bullet

The Lumin® Bullet is a device intended to sanitize CPAP hoses by using a specialized high powered UV LED to help make sanitizing a CPAP hose quick and easy. Efficiently powered, the Lumin® Bullet is rechargeable with a micro USB cable with one charge lasting for up to 30 uses.

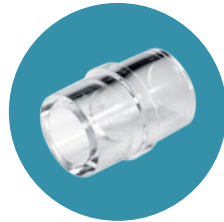

Lumin® Bullet

# TERMS AND CONDITIONS

## Satisfaction Guarantee

Your business is very important to the KEGO family. A satisfied customer is a repeat customer, and the KEGO team will work hard at building our business relationship so you keep coming back. If you are dissatisfied with your order, or our service, please do not hesitate to call us and let us know. We will do our best to make it right.

## Shipping and Handling

Most orders are packed and shipped the same business day as order placed. We will do our best to maintain sufficient inventory levels to avoid backorders.

Default shipping Methods:

■ ■ UPS Ground

Other shipping options are available upon customer's request. All orders are F.O.B. origin, with shipping cost billed to customer on invoice.

## Payment Terms

Payment terms are net 30 days with approved credit. Until credit has been established, KEGO reserves the right to request a credit card as guarantee of payment. Orders paid after due date may be subject to finance charges. For those customers who prefer to pay by credit card, we do accept Visa, Mastercard and American Express. Credit card charges will be assessed when your order is shipped.

## Return Policy

Shipping and handling, and hazmat fees are nonrefundable.

To return an item, you must receive prior authorization from KEGO, and obtain a Return Goods Authorization Number (RGA#). All returned items are subject to a restocking fee. With exception to items returned under manufacturers warranty, requests to return items after thirty days will be subject to managerial approval, and will be charged a minimum 15% restocking fee. In most cases, credit will be issued on account to be used against future purchases. Items must be returned within seven days of RGA date, or no credit will be issued.

## Liability

KEGO cannot be held liable for damages resulting from the use of products it distributes. Use and application of the products is the responsibility of the user.

## Pricing

KEGO pricing can be found on our website. Please register and/or log in at [www.kegocorp.com](http://www.kegocorp.com)

## Product Information

We do our best to ensure our item numbers, descriptions, and images are correct. Please contact KEGO customer service if you find errors in our catalog or website.

## Product Availability

Some products in our catalog may be special order items.
